

2010 National Night Out

America's Night Out Against Crime

August 4, 2010 - Caroline County Sheriff's Office

"The Caroline County Sheriff's Office would like to thank all of the volunteers who came out again this year in support of the CCSO's 2010 National Night Out. The success of this event is due in large part to those citizens who continue to generously give back to their community.

Likewise, residents of Ladysmith Village should be equally proud of being the first community in Caroline County to organize their own National Night Out event. I would encourage other communities to follow their lead and launch their own event next year. Please notify your Caroline County Sheriff's Office if you would like us to assist you with organizing this event in your community.

Much appreciation goes out to Target of Massaponax for their generous donations to the Bowling Green National Night Out. I would also like to offer a special thank you to the many residents of Caroline County, BOS Chairman Maxie Rozell and County Administrator Percy Ashcraft who all came out in support of this great, nationally recognized event."

Sheriff Anthony A. "Tony" Lippa, Jr.
