Community Meeting Rt. 652 Waterline Project (Ruther Glen Road)

The Caroline County Board of Supervisors has approved the extension of a County waterline along Route 652 (Ruther Glen Road) to the Caroline Pines subdivision. The project will allow Caroline Pines residents and residents along the path of the line to connect to County water. The Department of Public Utilities will hold a community meeting on November 17 to discuss the project in detail. Residents of Caroline Pines and Ruther Glen Road are encouraged to attend this informational meeting.
