

Caroline County Sheriff's Office

SHERIFF A.A. "TONY" LIPPA, JR.

Caroline County Recognized for "Click it Or Ticket" Success.

Every hour someone dies in America simply because they did not buckle up. It takes just a couple of seconds to put on a seatbelt, and yet it's so vital when that accident does happen in saving lives. Statistics show that unbelted drivers and passengers account for eighty percent of fatalities. In fact, drivers, passengers and children who are wearing a seatbelt have a 50 percent better chance of surviving a crash than unbelted occupants, according to the National Highway Traffic Safety Administration.

These are but a few of the compelling reasons why the Caroline County Sheriff's Office has adopted programs like *Drive Safe. Drive Smart. Checkpoint Strikeforce. Child Passenger Safety Week* and *Click It or Ticket*. The uniformed men and women of Caroline County have made your safety, and that of your passengers, a major priority during traffic patrol. Their diligence in the enforcement of seatbelt laws has been recognized by the Highway Safety Office. The Caroline County Sheriff's Office has been presented with the **Most Improved Safety Belt Use Award**. This award is given for the Northern Region bracket of counties who have between 31-50 sworn law enforcement officers.

Remember that seat belts are your best defense during a crash. Please join us as we continue in our work towards making Caroline County a safer place to live, work, and raise a family. For your safety and ours, please **BUCKLE UP!**

"I proudly accept this award on behalf of the dedicated, hard working men and women of the Caroline County Sheriff's Office. Our Deputies, at great risk to themselves, continue to save lives and make the roads of Caroline County safer for us all."

- Sheriff A.A. "Tony" Lipka, Jr.
