## Acceptance of Unsolicited Proposal To Design and Build Improvements to the County's Wastewater Treatment Plant

Notice is hereby given that the County of Caroline, Virginia has received and accepted an Unsolicited Proposal under the Public-Private Education Facilities and Infrastructure Act (PPEA) to design and build various improvements to the County's wastewater treatment plant. The County intends to evaluate the proposal, may negotiate an interim and/or comprehensive agreement with the proposer, and will accept for simultaneous consideration, any competing proposal that comply with Caroline County Code. The deadline for submission of competing proposals is March 1, 2010, 4:00 p.m. local time. Proposals must be delivered to the Office of the Director of Public Utilities, 233 West Broadus Ave. Bowling Green, Va. 22427.

The original Unsolicited Proposal is for design and construction of the Expansion and Upgrade at the existing Caroline County Regional wastewater treatment facility, increasing it to a 1.5 MGD facility.

Prospective competing design-builders should contact Mr. John Boryschuk, Director of Public Utilities, 804-633-4390 for additional information.
