Background: Based on previous direction from the Board of Supervisors, Department of Public Works/Utilities staff have been removing litter from high visibility locations in Carmel Church and Ladysmith on a periodic basis. Supervisor Jeff Black recently asked for trash removal from a portion of Paige Road in addition to the normal pickups in Carmel Church and Ladysmith.

Staff is more than willing to honor any request for litter pickup from the Board. However, we are concerned that requests from individual Board members without structure and direction from the entire Board will overwhelm our ability to keep pace with litter pickup. Therefore, staff is seeking guidance from the Board regarding its expectations for litter pickup so that the impact can be fully evaluated.

Budget Impact: N/A

Requested Action(s) of Board: Discuss and direct staff
