Background: The Board of Supervisors previously authorized staff to move forward with the sale of the former Frog Level Volunteer Rescue Squad property on Richmond Turnpike (Route 301 South) by engaging a real estate agent to list the property on behalf of the County. However, two separate Request for Proposals issued by the County have failed to attract any response from local realtors.

As a result, staff requests authorization from the Board to move forward with the sale of the property through a public auction (following a procurement process for the service).

Budget Impact: N/A

Requested Action(s) of Board: Authorize public auction for sale of former Frog Level Volunteer Rescue Squad property
