Summary: VDOT advised Planning Staff that a portion of School Access Road 9081 which served the former Ladysmith Elementary School, should be abandoned and removed from the Secondary System of State Highways as it no longer qualifies as a school access road. However, the present access loop off of Route 639 (0.08 miles), continues to qualify as a school access road.

VDOT staff has researched and provided the attached resolution as the appropriate document to abandon the 0.15 mile unused portion of the road, while ensuring coverage of the present Route 9081, identified in red on the attached map, as a secondary road for VDOT maintenance purposes.

Budget Impact: N/A.

Action(s) Requested of the Board of Supervisors: If the Board is agreeable, the appropriate action would be to adopt R4/22.
