All connections will be subject to Caroline County Public Utilities Department approval.

It is hereby agreed that the charges for water/sewer services at the above address shall be paid at rates established by and approved by the Caroline County Board of Supervisors as adopted per the Code of Caroline County for all services rendered in accordance with its rules and regulations. The charges for water service shall start with the installation of the water meter; the charges for the sewer service shall start from the date of the water meter installation or if sewer only with the date of connection and shall continue until notice is given in advance and received by the Caroline County Public Utilities Department to disconnect service. It is further agreed that by this contract authority is given to the Caroline County Public Utilities Department to have access to its meter at all times without any other permit and further, that the water and sewer service furnished through these facilities shall not extend to other buildings or property nor the water therefrom resold in any manner and it is understood and agreed also that the Caroline County Public Utilities Department does not guarantee continuous service or any specific water pressure. Ownership of service pipe and/or meter herein before applied for when installed is hereby vested in the Caroline County Public Utilities Department, subject to jurisdiction of and control by the Caroline County Public Utilities Department. Applicant shall furnish location of grades for top of meter box. It is agreed that if raising or lowering of meter is necessary after initial installation, a charge will be assessed. I agree that no downspouts or gutters from roofs, catch basins or farm tile and lawn footing drains or any other drain used to carry storm water will be allowed to discharge into the Sanitary Sewer, and if such conditions exist at any time, I hereby agree to have same remedied at my expense upon notice thereof. I agree that such charges shall be a lien on such real estate owned by me served by such sewer or water. All Owner(s) of the real property shall sign this agreement even if it is to be used as rental property pursuant to Va. Code 15.2-2118.

Caroline County is held harmless in the event of a water break and/or sewer backup.
