County Code

§ 103-94: License required; application; information required - All persons embraced by this Ordinance shall make application for licenses to the Commissioner of the Revenue at his office. The Commissioner of the Revenue shall furnish the necessary forms which shall be properly filled in with such information as the Commissioner may require.

§ 103-95: Date of payment - All license taxes imposed by this Ordinance, except as herein otherwise provided, shall become due and payable by March 1st of each license year. In all cases where the person shall begin the business, profession, trade or occupation which a license tax is imposed under such Ordinance after the license tax year, such license tax shall become due and payable at the time which such person commences business.

§ 103-96: Penalty for late payment; interest charge - A penalty of 10% of the net tax may be imposed upon the failure to file an application or the failure to pay the tax by the appropriate due date. Only the late filing penalty shall be imposed by the assessing official if both the application and payment are late; however, both penalties may be assessed if the assessing official determines that the taxpayer has a history of noncompliance. In the case of an assessment of additional tax made by the assessing official, if the application and, if applicable, the return were made in good faith and the understatement of the tax was not due to any fraud, reckless or intentional disregard of the law by the taxpayer, there shall be no late payment penalty assessed with the additional tax. If any assessment of tax by the assessing official is not paid within thirty days the Treasurer may impose a ten-percent late payment penalty with a minimum of \$10. The penalties shall not be imposed or, if imposed, shall be abated by the official who assessed them, if the failure to file or pay was not the fault of the taxpayer. In order to demonstrate lack of fault, the taxpayer must show that he acted responsibly and that the failure was due to events beyond his control.

§ 103-98: Display of License - Every person required to obtain a license under the provisions of this article shall keep the form, tag, button or sign issued in evidence thereof as prescribed by the Commissioner of the Revenue in a convenient and conspicuous place and, whenever required to do so, shall exhibit the same to any authorized enforcement officer of the County. Every license issued under the provisions of this article shall be deemed to confer a personal privilege to transact, carry on or conduct the business, profession, trade or occupation which may be the subject of the license and shall not be exercised except by the persons licensed.

§ 103-102: Violations and Penalties - It shall be unlawful and constitute a misdemeanor of any person to conduct a business or to engage in a profession, trade or occupation before procuring a license as required under the provisions of this ordinance. It shall also be unlawful and constitute a misdemeanor for any person to violate any of the provisions of the Ordinance. Any person that is convicted for failing to procure a license as required, or convicted of such a violation for any of the provisions of this Ordinance shall, except where some other penalty is specifically provided, be punished by a fine not to exceed \$2,500.00 or by imprisonment in the County jail for a period of twelve months, or both. Each day any person shall continue to violate the provision of this Ordinance after the due date of any license tax prescribed in this Ordinance shall constitute a separate offense.
