** Please contact the Virginia Department of Transportation offices (540-899-4447) or Ladysmith (804-448-2580) to obtain a Land Use Permit before installing any entrance off of VDOT maintained road. VDOT will require #21A or #21B stone at entrance before releasing Land Use Permit. Contact VDOT as to size of culvert needed for entrance. VDOT recommends concrete culverts be installed because of the frequent damage done to galvanized and plastic culverts.
