Additional Construction Projects in Fredericksburg District

City of Fredericksburg

Dixon Street Ramp Improvement

Crews are improving the Route 2 (Dixon Street) exit ramp from the westbound Blue & Gray Parkway in Fredericksburg as part of the upcoming Chatham Bridge rehabilitation project. The Chatham Bridge over the Rappahannock River will be closed to all traffic for a 16-18 month improvement project. Crews are building an additional left turn lane on the Dixon Street exit ramp to provide more storage for vehicles turning left. This will keep the ramp's right turn lane accessible for vehicles using the detour to downtown Fredericksburg during the bridge closure. The \$23.4 million Chatham Bridge rehabilitation project has been advertised to potential bidders, and the bridge may be closed to traffic as soon as May 2020. Improvements on the ramp will be completed in January 2020. [Please visit the project page.](#)

Stafford County

Route 3 Business and Route 606 (Ferry Road) Intersection

Work underway to improve this intersection is estimated to be completed by the end of January 2020. Motorists should be alert for construction activity on Route 3 Business and on Ferry Road between the CSX railroad crossing and Route 3 Business. For more information about the project, [please visit the project page](#) and read the [project update news release](#).

King William County

Route 632 (Mount Olive-Cohoke Road)

A portion of Route 632 (Mount Olive-Cohoke Road) is closed for a bridge replacement project. Detour signs are posted along the recommended six-mile detour route. The road will remain closed until its anticipated completion date in November 2020.

Route 662 (Sharon Road)

A portion of Sharon Road is closed for reconstruction. Project schedule under development. Crews are repairing damage from Tropical Storm Michael. The project is reconstructing a slope near the road and replacing the culvert.
