WHEREAS, compliance with the limitations on physical assembly occasioned by the COVID-19 public health crisis makes it difficult or impossible for the Board and other public bodies to safely physically assemble to conduct meetings and hold public hearings in accordance with ordinarily applicable procedures; and

WHEREAS, Virginia Code Section 15.2-1413 authorizes any locality, by ordinance, to provide for methods to assure continuity in its government in the event of a disaster such as that created by the spread of COVID-19.

NOW, THEREFORE, BE IT ORDAINED by the Board of Supervisors of the County of Caroline, Virginia:

1. That, in accordance with Virginia Code Section 15.2-1413, the following emergency procedures are hereby instituted to ensure continuity of government during the pendency of the COVID-19 disaster:
 - a. Any process, procedure, matter or transaction which typically allows for the physical presence of the public in a county building that has been declared or in the future is declared to be closed to the public during the pendency of the Emergency Declaration is hereby suspended unless conducted in accordance with this ordinance or other provision of law.
 - b. The County Administrator is authorized to take actions objectively reasonable and necessary in the public interest to alter schedules, arrange for alternative procedures consistent with this ordinance, provide programming and services, pay bills, engage contractors, hire employees, set and manage a succession plan effective in the event of unavailability of staff, adjust administrative processes and procedures in light of the disaster, all in keeping with the U.S. Centers for Disease Control and Virginia Department of Health guidance/directives, and consistent with State and Local Declarations of Emergency and other directives and law.
 - c. Meetings required, and agenda items scheduled or proposed to be considered by the Board and other County boards, commissions, committees, authorities and other public bodies, for the duration of the local COVID-19 emergency but not to exceed six (6) months, are deemed continued and extensions therefore are hereby ordered if the body does not meet as permitted herein or in other applicable law and take action during that time, including those items for which applicable law requires an affirmative action to be taken within a particular time and failure to act is deemed approval.

- d. Meetings of the Board and other County boards, commissions, committees, authorities and other public bodies may be held through electronic communication means with a quorum of members participating but without a need for a quorum of members physically present in a single location, in accordance with the provisions of Virginia Code Section 2.2-3708.2(A)(3), including the public notice requirements, and at such a meeting may consider any item of business which the public body deems essential or is appropriate for the continuity of the work of the public body.
 - e. Such meetings may be held without permitting members of the public to be physically present in a single location or in the same physical location as any of the public body members, so long as alternative arrangements for public access to such meetings are made. Such alternative public access may be electronic, including but not limited to audio, telephonic, or video broadcast.
 - f. For any matter considered by the Board or other County public body during the pendency of the local emergency which typically require open doors, public attendance, or public participation by law, such requirements are hereby altered and may be met by electronic, telephonic, and/or written means by the body, which may meet electronically or in person or in some combination thereof as circumstances may permit.
 - g. For any matter so considered also requiring public comment or hearing, such will be allowed, solicited or received by the body by electronic, telephonic, and/or written means prior to the vote on such matter. All such comments will be heard by or provided to the members of the body and made a part of the record of such meeting.
 - h. Notices of meetings will be provided by email directly to those who have elected in writing in the previous calendar year to receive such notices, and if practicable, will also be provided on the County website and by other means selected by the County Administrator. To the extent practicable, notices will also be provided as provided by general law.
2. That the provisions in Section 1 of this Ordinance shall be in effect until repealed by this Board or expiration of a period not exceeding six months from the adoption hereof, whichever comes first. This Ordinance may be amended as provided herein or by general law. Upon repeal or expiration of this Ordinance, the matters referenced herein shall resume operation in accordance with normal practices and procedures.
 3. This ordinance shall be effective upon adoption.
