

VIRGINIA
IS FOR
RESTAURANT
LOVERS

Takeout Week is NOW!

Restaurants are open and ready for

Takeout Week Throughout Caroline County

Enjoy a wonderful meal without all the cooking, and more importantly you will be supporting our local restaurants that have always supported our County.

Today is the launch of the Virginia is for Restaurant Lovers Takeout Week..

YES! It is happening in Caroline County now too!

All of our local restaurants in Bowling Green, Dawn, Ladysmith, Milford, Port Royal, and throughout our beloved Caroline County depend on people coming in and sitting down to eat. Now with the COVID-19 pandemic, that is not an option available at this time.

Caroline County and the Department of Economic Development & Tourism supports The Commonwealth of Virginia's Social Distancing restrictions. To encourage social distancing and to support our local restaurants throughout the entire county,

Caroline County Tourism is joining with the Virginia Tourism Corporation to promote Virginia is for Restaurant Lovers Takeout Week.

March 30 – April 5

Remember, you can support our local businesses by ordering for Takeout meals, in some cases curbside pick-up is offered, and even *home* delivery may be an option depending on your location. Don't forget to inquire about gift cards available at many of our establishments. Just give them a Call to order your favorite meal.

All our local businesses depend on our support. Do not let them down now.
