

CAROLINE COUNTY FIRE RESCUE

PRESS RELEASE

CAROLINE COUNTY BOARD OF SUPERVISORS AND DEPARTMENT OF FIRE RESCUE RECEIVES DONATION FROM A. SMITH BOWMAN DISTILLERY

The Department of Fire-Rescue is pleased to announce the donation of 24 liters of hand sanitizer to be used by local medical personnel and facilities in Caroline County as they continue to treat patients throughout the ongoing Crisis. Caroline Department of Fire Rescue and Board of Supervisors Vice Chairman Floyd Thomas coordinated the donation. This donation was made possible by the A. Smith Bowman Distillery in conjunction with its parent company Sazarc Company, Inc.

This much-needed donation comes at a time when first responders and medical facilities across the country are often struggling to acquire the cleaning supplies and Personal Protective Equipment required to safely evaluate and care for patients.

For more information contact the Department of Fire-Rescue & Emergency Management at (804) 633-9831 or visit www.carolinefirerescue.org
