Sunday – Monday, 9 p.m.- 6 a.m. Alternating single lane closure on Sophia Street at William Street for traffic signal work in connection with the [Chatham Bridge project](#). Virginia State Police will assist with traffic control.

Caroline County

Julien Street

Beginning Monday Julien Street will be closed to traffic for a pipe replacement project, Crews will work Monday – Friday, 7 a.m. – 3:30 p.m. The pipe replacement project is expected to continue for approximately two weeks. Drivers should follow the posted detour signs.

Gloucester County

Route 198

Sunday – Wednesday, 7 p.m. – 7 a.m., **Thursday morning**. One-way, alternating traffic between Turks Ferry Road and Pampa Road for paving and placement of pavement markings and shoulder stone. Motorists will be directed through the work zone by a flagging crew.

Route 633 (Cedar Bush Road)

Tuesday, 7 a.m. – 7 p.m. One-way, alternating traffic between North Providence Road and Hickory Fork Road for paving and placement of shoulder stone. Motorists will be directed through the work zone by a flagging crew.

King George County

Route 301

Monday – Wednesday, 9 a.m.- 3 p.m. and **Thursday**, 9 a.m. – noon. Alternating single lane closures at the intersection with Route 607 (Port Conway Road) and Route 625 (Salem Church Road). Crews are installing traffic signal equipment that will alert Route 301 motorists that vehicles are entering Route 301 from Port Conway and Salem Church roads.

King and Queen County

Route 14

Tuesday – Wednesday, 7 p.m. – 6 a.m. Single lane closures on Route 14 near the Route 33 intersection for paving operations.

Route 14

Monday – Tuesday, 7 p.m. – 7 a.m. Single lane closure on Route 14 over Heartquake Creek for bridge repairs. The bridge is located approximately 9 miles north of the Route 33 intersection.

King William County (Town of West Point)

Route 30

Monday, 6 p.m. – 5 a.m. Single lane closures on Route 30 between Eltham Bridge and 18th Street for paving operations.

Route 33

Monday, 6 p.m. – 5 a.m. Single lane closures on Route 33 between the Lord Delaware Bridge and Main Street for paving operations.

Slurry Seal

Monday – Wednesday, 7 a.m. – 7 p.m. and **Thursday**, 7 a.m. – noon. Drivers should expect alternating single lane closures for paving work at the following locations. Flaggers will direct traffic through each work zone.

- Route 1101 (Lee Street)
- Route 1113 (17th Street)
- Route 1114 (18th Street)
- Route 1115 (19th Street)
- Route 1116 (21st Street)
- Route 1118 (16th Street)
- Route 1119 (20th Street)
- Route 1122 (15th Street)
- Route 1125 (22nd Street)
- Route 1120 (23rd Street)
- Route 1127 (F Street)

Lancaster County

Route 607 (Goodluck Road)

Monday – Wednesday, 7 a.m. – 7 p.m. and **Thursday**, 7 a.m. – noon. One-way, alternating traffic between Route 3 and Route 200 for paving, placement of shoulder stone and pavement markings.

Route 3 (Mary Ball Road)

Tuesday – Wednesday, 7 a.m. - 7 p.m. and **Thursday**, 7 a.m. – noon. One-way, alternating traffic from just west of Route 651 to just west of Route 695 for paving, placement of shoulder stone and pavement markings.

Middlesex County

Route 602 (Old Virginia Street)

Monday, 7 a.m. – 7 p.m. Drivers should expect alternating one-way traffic on Old Virginia Street for just east of Burrell’s Marina Road to the Urbanna Corporate Limits for paving and placing shoulder stone. Flaggers will direction traffic through the work zone.

Northumberland County

Route 665 (Mila Road)

Thursday, 7 a.m. – 7 p.m. Drivers should expect alternating one-way traffic on Route 665 from Remo Road to Lee Dale Road for paving and the placing of shoulder stone and pavement markings.

Road Resurfacing

Monday – Tuesday, 7 a.m. – 5 p.m. Expect one-way, alternating traffic on various routes in Northumberland County to allow crews to apply surface treatment.

Drivers may encounter brief delays at the following locations:

- Route 657 (Fleeton Wharf Road)
- Route 677 (Fleeton Point Circle)
- Route 753 (Firehouse Road)
- Route 1174 (Redhead Lane)

Richmond County

Route 3 (Historyland Highway)

Monday-Wednesday, 7 a.m. – 7 p.m. and **Thursday**, 7 a.m. – noon. Expect alternating lane closures on Route 3 (Historyland Highway) from just east of Route 614 to just west of Route 601 for pavement marking and the placement of rumble strips.

Additional Construction Projects in Fredericksburg District

Essex County

Route 620 (Dunbrooke Road)

Route 620 (Dunbrooke Road) is closed over Piscataway Creek for a bridge replacement project. The bridge is located between Route 642 (Purkins Road) and Route 622 (Latanes Mill Road). Detour signs are posted along the recommended 9-mile detour route. The road will remain closed until its anticipated completion date in November 2020.

Gloucester County and Middlesex County

Route 17 Southbound over Dragon Run

Route 17 southbound is reduced to a single lane for a bridge rehabilitation project over Dragon Run. The bridge is located at the county line between Gloucester County and Middlesex County. Project estimated completion is August 2021.

King George County

Route 301 at Bennion Road and Owens Drive

Construction began June 1 to lengthen several turn lanes on Route 301 in King George County at the intersection with one of the entrances to the Naval Support Facility South Potomac at Dahlgren. The project will be finished in November 2020.

King and Queen County

Route 617 (Exol Road)

Route 617 (Exol Road) is closed to traffic at the bridge over Exol Swamp while crews replace the structurally deficient bridge. Detour signs are posted along the 8-mile detour around the closure. The bridge will remain closed until November 2020. Click [here](#) for the recommended detour route.

Route 619 (Owens Mill Road)

Route 619 (Owens Mill Road) is closed for a bridge replacement project over Rickenaw Creek. Detour signs are posted along the recommended 10-mile detour route. The road will remain closed until its anticipated completion date, which has been extended to July 31, 2020.

King William County

Route 632 (Mount Olive-Cohoke Road)

A portion of Route 632 (Mount Olive-Cohoke Road) is closed for a bridge replacement project. Detour signs are posted along the recommended 6-mile detour route. The road will remain closed until its anticipated completion date in November 2020.

Route 662 (Sharon Road)

A portion of Sharon Road is closed for reconstruction following damage from Tropical Storm Michael. A project to reconstruct a slope and replace a culvert will be advertised to potential bidders in summer 2020. The road is anticipated to reopen to traffic by the end of 2020.

Stafford County

Route 1 at Potomac Creek

Construction began June 1 on a project to replace the Route 1 bridge over Potomac Creek in Stafford County. Route 1 will continue to have four travel lanes open during the project, with only periodic single lane closures required. The new bridge will be complete in July 2022.

City of Fredericksburg

Route 3 Business at Chatham Bridge

The Chatham Bridge is closed to traffic for an [improvement project](#). Drivers should follow the posted detour signs directing traffic around the bridge closure. The bridge will remain closed through October 2021.

(END)

VDOT's 14-county Fredericksburg District includes the counties of Caroline, King George, Spotsylvania and Stafford in the Fredericksburg area; Northumberland, Richmond, Lancaster and Westmoreland counties in the Northern Neck; Essex, Gloucester, King & Queen, King William, Mathews and Middlesex counties in the Middle Peninsula.
