

## **Route 652 (Cool Water Drive) Bridge over Polecat Creek Replacement Project Caroline County**

**Find out** about the proposed project to replace the Route 652 (Cool Water Drive) bridge over Polecat Creek in Caroline County.

The project will replace the existing structurally deficient bridge with a slightly wider concrete structure with wider shoulders to accommodate pedestrians and bicyclists. During the anticipated nine months of construction, the existing bridge will be closed. Drivers will be directed to use Route 1 to Route 207 back to Route 652 as the official detour around the closure. The nine-mile detour will remain in place for the duration of the project.
