

# CAROLINE COUNTY PRESS RELEASE

*For immediate release  
November 20, 2020  
Charles M. Culley, Jr.  
County Administrator*

## **REGISTRAR'S OFFICE TEMPORARILY CLOSED**

Effective Friday, November 20, 2020, the Caroline County Registrar's Office has been closed until further notice following an employee positive COVID-19 test. The date when the employee became infected is unknown. Due to this uncertainty, the confined space in the office and the inability to maintain Center for Disease Control (CDC) recommended safe distances, it was determined that closing was the most prudent alternative.

Notice of the reopening will be posted on the County's website at <https://co.caroline.va.us>.
