

# Tap & Jazz Info

## **Dress code recommendations:**

- Baggy clothes can obstruct vision and get in the way.
- Leggings, sports shorts, sports bras, tank tops, non baggy t-shirts and leotards are recommended for the safest experience.
- Tap shoes are recommended but not required, as well as jazz shoes.
- Hair must be pulled up and out of the face, long hair can be pulled back into either a ponytail, bun, or braided.
- Short hair can be pulled into a half up half down style, or be pinned/slicked back in any way.
